THE INDIA DESK

ZAG&K Law Offices is one of the largest and leading commercial law firms in Israel, driven by the hard working and innovative spirit, of its professional team, as well as the clients' ever changing needs.

The firm constitutes an International One Stop Shop for a wide range of legal services, which enables us to provide our clients with a comprehensive, advanced and highly qualified legal services - all under one roof.

The firm provides legal services in the various fields, such as: commercial law, corporate law, hi-tech, intellectual property, international transactions, litigation, real estate and taxation. Each specialty field is headed by a senior partner having substantial experience in his or her area.

In addition to our offices in Israel, we have international offices which are located in the U. S. A : New York, Boston and Washington D.C. (ZAG/S&W), in China : Beijing, Shanghai and Shenzhen (ZAG/JUNZEJUN), branches in Europe and the India Desk.

The combination between extensive international activity in major financial centers

around the world and the firm's extensive areas of expertise, enables our legal team to promote the commercial interests of our clients, assist them in the development and expansion to new markets, facilitate smooth transactions and minimize their business risk.

The firm strengths derive from the commitment to our clients and to their ever changing needs. We see our clients as long term partners and view their particular businesses and objectives as our own.

Our clients include a large number of key Israeli and foreign corporations operating in the Israeli market, Israeli and foreign public corporations traded on stock exchanges around the world, private companies in all areas of industry, hi-tech companies, entrepreneurs, venture capital funds, investors, holding companies, financial institutions, civil and administrative institutions and well known private clients.

The India Desk

ZAG&K's activity in India is part of its extensive international activity and the deployment over a number of continents.

During the last decade India has evolved into one of the main and most important economies in the world. As a result, the investments of Israeli companies in India have been growing steadily in the past years, and today more than 1,000 Israeli companies are active in India. Our India desk specializes in accompanying, promoting and maintaining our clients commercial and legal interests, professionally and efficiently, in all matters relating to and dealing with establishment of presence in India. Through the wealth of the desk's diverse and comprehensive expertise, we can provide our clients with strategic services, advising and connecting them with the right resources to achieve their goals and to gain a competitive advantage.

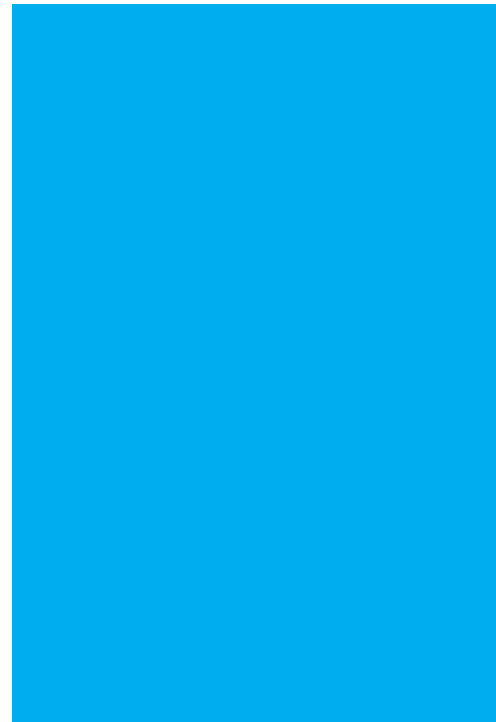

The legal services are provided in collaboration with leading Indian law firms. Each transaction is handled by a team comprising both Israeli and Indian attorneys specializing in the relevant fields.

These unique collaborations allow our international team to handle a wide range of transactions and investments throughout India, including mergers & acquisitions, commercial agreements, setting up businesses

etc. These legal services are rendered in various sectors of the Indian market, such as telecom, infrastructure, real estate and other.

Adv. Daniel Siegel, head of the India desk, has gained significant experience advising domestic and foreign corporations operating in India. Prior to joining ZAG&K, Adv. Siegel was the Deputy General Counsel for Bezeq, the Israel Telecommunication Corp, and in this capacity he handled Bezeq's investments in India. Our India desk allows our clients to focus on growing their businesses, by providing them efficient legal services, profound business knowledge, innovation, and enterprise.
